Gebeta / Dots and Boxes

- Gebeta is a game of friendship and numbers and features in the book. Find out about the game Gebeta (a game of friendship and of numbers) – make your own version like Shif and Almaz.
- Play Dots and Boxes, a game invented by the French mathematician Édouard Lucas.

Refugee Week 2023

The Refugee Week theme for 2023 is Compassion – you can get involved by doing some of these simple acts of kindness:

Watch a film; share a dish – make a family favourite meal (adult supervision may be required) and invite some family members or friends to join and share; go for a family walk; spend time in the garden/nature – plant some seeds – watch them grow and then give them to others to enjoy; read a story

Pot of Kindness

Create a pot of kindness–watch this great video to explain how.
